

Workshop Manager Laverton

- Are you a qualified heavy vehicle mechanic looking for a challenging and rewarding role?
- Do you want to work in a diverse and dynamic environment?
- Do you want to join an organisation that is a leading innovator in the waste management industry?
- Have you got the drive to play a role in leading our business into the future?

We are an Australian, family-owned and operated waste transport company with a dynamic attitude that values our people, their safety and the environment. Recognised as innovative leaders in waste management, we deliver quality in customer service, corporate social responsibility, and a workplace culture where people choose to stay.

Who are you? You are a professional, outcomes focused team player who has the experience and drive to manage a new workshop in Laverton. You will have exceptional people and communication skills and a desire to be a team player both locally and within the Fleet Management Team.

What will your position entail? As Workshop Manager at Laverton you will be responsible for:

- Managing a team of mechanics, including time allocation and apprentice training;
- Leading and motivating your team, including hands on practical involvement in the day to day workshop operations;
- Ensuring the fleet is maintained to and in compliance with J.J. Richards Fleet Management Standards, with an emphasis on safety;
- Compliance with the Company's Integrated Management System (IMS);
- Maintaining contact with regional and national fleet management and interaction with suppliers and contractors.

What qualifications and experience do you need? To qualify for this position you must have as a minimum the following qualifications and experience:

- Be trade qualified in the repair and maintenance of heavy commercial vehicles;
- Good product knowledge and a sound understanding of hydraulics
- Possess a "Customer Service" focus with a drive to meet and where possible exceed customer expectations;
- Have a HR licence (minimum).

What are your rewards? You will work an afternoon shift role, consisting of a five (5) day week between the hours of 1pm and 11pm in return for an attractive remuneration package. You will work with a team of professional tradespeople and have the opportunity to work as part of a flexible, innovative and safe workplace.

If you believe you are the right candidate for this position, please send your application to:
